U. S. Team Is Reduced to Staggering Exhaustion in Crucial Contest

BRITISH PLAYERS CHEER

Brilliant Combination Sweeps Through United States Defense

(Canadian Press Cable.)

Chamonix, France, Feb. 3.—Canada won the blue ribbon event of the 1924 Olympic winter games and added ten points to her score when the Dominion hockey team today defeated the United States in the final of the hockey series by a score of 6 to 1. It was a fast and furious contest from start to finish, and when Paul Loq of Belgium, the referee, blew his whistle and the game was over the United States players were physically exhausted and stumbling from fatigue.

The smoothness and finish of the Canadian offensive combination overwhelmed the brilliant individual play of the United States. As regularly as though conducted by well-oiled machinery the puck passed from Smith to McCaffery to Watson or from Munro to Smith to Watson and into the net. Drury, who scored the tally for the United States, did so after a single-handed dash down the ice.

Munro and Ramsay made an almost impregnable defense for the Canadian goal and smothered the individual efforts of the United States forwards with efficiency.

Hockey Giants in Battle.

There was little love lost between the two teams, rivals since the Olympic hockey commenced. The game had not proceeded more than two minutes when Watson was bleeding from the nose, and Rice was stretched out on the ice after a collision with Smith. The United States fought hard in the opening session when they were fresh, and frequently Rice, McCarthy or Drury, getting the puck in United States territory, rushed down the ice only to be blocked hard by the Canadian defense.

Then began the regular action of the Canadian combination in all its perfection heart-breaking to the United States. The puck seemed to pass ceaselessly between the sticks of the Canadian forwards. Hard backchecking was of little avail. The fast skating and stickhandling of Uncle Sam's representatives was futile against the relentless Canadian machine.

The thousands of spectators who filled the stands watching the hardest fought and swiftest hockey that Europe had ever seen were thrilled by the desperate stand made by the United States under the pressure of the better co-ordinated Canadian team. Time after time cheers broke from the crowd as Drury or Rice clashed away for rushes into Canadian territory, only to be foiled as he reached Ramsay or Munro. Shots from outside the line of point were easy for Cameron. Counter-cheers rose as the popular Canadian penetrated the United States lines and drove their bullet-like shots at Lacroix.

No "Kid-glove" Affair.

The referee had his difficulties from the opening of play, and his frequent cautionary admonitions seemed of little avail. Collisions between rival players were frequent.

CANADA VICTORIOUS IN FURIOUS BATTLE FOR WORLD TITLE

(Continued from Page 1, Column 2.)

and (time was called often when either a Canadian or a United States player lay stretched out on the ice. As the game progressed, the United States team, probably not in quite as good condition as the Canadians, showed the effect of the individual efforts to stem the combined efforts of their opponents. The po-

break away for tries became fewer, and their general play suffered in consequence of fatigue.

The Dominion's representatives seemed to be a good deal fresher and pressed the attack hotly, still retaining the beautifully co-ordinated play, to which they owed their success in the earlier stages of the game.

During the sixtieth minute of play when the United States, exhausted and staggering on their skates, gamely fought to prevent the rolling up of a larger score, the Canadians played fiercely, mercilessly pressing the puck through and through the United States lines.

The announcement of former President Wilson's death immediately after the conclusion of the match, although expected by hundreds of spectators, came as a shock to the crowds, still thrilled by the hard battle just witnessed. The announcement was made through the huge amplifiers, and all heads were bared; there were a minute of silence while the United States flag was half-masted.

Claim Goals Offside.

There was some claim that the Canadians scored three of their goals from offside, and that 3 to 1 in the score represented in reality the respective merits of the teams, but this was not the official view of it.

Small, Drury and Abel starred for the United States. No one stands out prominently among the Canadians; that is why they won. Watson's name appears oftener than that of his colleagues in the scoring column, but in each instance he was merely the last link in the combination.

A special train came from Paris last night with hundreds of United States enthusiasts. The Canadians received a noisy welcome when they came out a few minutes later, and some of this was due to the vociferous encouragement from Great Britain's hockey team and its supporters, who were all gathered in one section of the stand.

Sun in Canadians' Eyes.

The weather was ideal, clear and cold, and the ice was fast and hard. The United States won the toss, and chose to defend the western goal, the Canadians playing with the bright sun in their eyes in the first period.

Munro, the Canadians' captain, and Small, captain of the United States team, received final instructions from the referee in the centre of the rink. There was considerable wrangling over the referee's interpretation of body-checking, which delayed the start for several minutes.

Finally, at 8 o'clock, Smith secured the puck in the first face-off, passed it to Watson, who collided with Abel, and went flying to the ice, after twenty seconds of play. He was knocked out for a minute or two. There was blood in every player's eye after Watson resumed, and many of the European players shouted "Rugby!"

The play up and down the rink was lightning fast, and for five minutes neither team had any advantages. Both played only five men for two minutes while Smith and Abel were off. Finally McCaffery and Smith got clear and went down the ice together. Smith passed to Watson, who shot a goal, the puck rebounding off McCaffery's skate as he was covering McCaffery in front of the net. Watson was used up from body-checking and taken off. McCann was substituted, and Synott replaced Rice, who was bleeding after a collision with Munro. Watson came back and scored after 30 seconds, with an unstoppable shot on a pass from Smith.

Canada Is Pardonably Proud

Premier King

Ottawa, Feb. 2.—Canada's congratulations to her Olympic hockey team on winning the world's amateur championship were conveyed in a cablegram sent by Premier Mackenzie King to W. A. Hewitt, manager of the team today. The Prime Minister's cable was as follows: "Please extend the members of Canadian hockey team my heartiest congratulations on winning the world's amateur championship. All Canada is proud of this latest feather in her cap."

Premier Ferguson

On behalf of the Provincial Government and citizens of Ontario generally, Premier Ferguson will today send a message of congratulation to the Canadian team which won the world's championship by defeating the United States.

"As a Canadian," the Premier said, "I am delighted to hear of their victory. In winning the world's hockey championship they have not only brought great credit to themselves, but to their country."

In Important Fixture

Upper Canada College, St. Michael's, St. Andrew's and U.T.S. students will flock to the Arena this afternoon to see the Upper Canada College and U.T.S. teams meet in an O.H.A. game, which may decide the championship of the preparatory school group. If U.T.S. beat the Blue and White they will be champions, but if they are defeated they will be tied for the leadership with St. Michael's College, thus repeating last year's performance.

U.C.C. are the hard luck team of the season. They showed to advantage in the S.P.A. race, and have also given their opponents a battle in every start in the O.H.A. series, but they have not been able to win a game. If they score this afternoon to perform the feat, they will not be very popular with the Blue street students.

"Conny" Smythe, University of Toronto coach, will handle the game.

Referee Loog for loafing offside. A lively mix-up between Smith and Munro in the centre of the rink brought both of them a two-minute penalty. Munro closed the period with a terrific shot in the upper corner of the net, against which the United States goalkeeper had no chance.

"Remember Loyalty Oath."

The third period was a repetition of the second so far as style of play was concerned. Small attended

Granite Club Happy

The congratulatory cablegram forwarded to the world's champion hockey team by the Granite Club yesterday was short and to the point. It reads as follows:

"Congratulations. You sure did it."

The Granite Club's team qualified for the trip to Chamonix, but all of the players could not go. However, the champions practically are a Granite sextet.

strictly to business, and played a great game on both defense and offense. Synott, who replaced Rice, again immediately mixed it up with Munro, and both were sent off the ice for one minute.

"Remember your Olympic loyalty oath," one fair spectator shouted from the grand stand.

Cameron, the Canadian goalkeeper, was called upon to stop seven shots for the goal in rapid succession from the sticks of Drury, Synott and McCarthy. Then McCann, for Canada, eluding both Small and Abel, passed the puck to Watson, who scored the last goal, after fifteen minutes of play.

The game in which Canada won the premier hockey honors was savagely contested. The play was characterized by slashing on the part of Small of the American squad, and the heavy body-checking of his teammate, Abel. However, neither of these was able to stop the scientific passing of the Canadians. Watson and Smith, particularly shone in their combination work as against the rougher tactics of the United States forwards, particularly of McCarthy.

The play of Drury, former Midland, Ont. boy, now the star of the United States team, whose spectacular rushes had been so effective in previous games, was not so conspicuous today.

Watson Is Great Goal Getter.

"Dunc" Munro rushed once through the entire opposing team in the second period and scored alone. Harry Watson scored two goals in the first period, and one in the third. Smith and McCaffery scored in the second. Jack Cameron, the Canadian goalkeeper, was in great form. This was the first game in which he really had much to do, and he stopped brilliantly. Abel was sent to

Octogenarian Walks Nine Miles Over Drifts To See Hockey Match

North Bay, Feb. 2. — George L. Bailey, aged 80 years, of Callander, is the champion hockey fan of the district. He never misses a game, and when a special train had been engaged to convey the "Trappers" and supporters to Sudbury Mr. Bailey made up his mind to make the trip.

When the time arrived the train from the south was five or six hours late. No automobile could make the nine-mile journey in deep snow from the little town to "the Bay," so the veteran fan decided to walk. He made the trip in three hours and arrived here just in time to have a cup of tea and board the special. He was the "life of the party" both going and coming and was none the worse for his experience.

Western "U" Defeated;

Show Reversal of Form

London, Ont., Feb. 2.—Osgoode Hall defeated Western University by 3 to 1 in a stubbornly fought hockey game, getting two goals in the second period and one in the last period.

Osgoode Hall's sextet met the stiffest of opposition. Both teams failed to score in the first period of close checking, and the law students could not fathom the unexpected reversal of form, since they completely outclassed Western in the first game by 14 to 6.

Mowrey scored the first goal in the second period, and Fisher tied the count after a single-handed scrimmage in Western's goal.

On face-off a few seconds before the period ended, O'Reilly put the visitors one goal ahead. Grace, playing on right wing for the locals, was the star of the game, his checking and quick puck carrying was good. Both defenses worked well.

Osgoode Hall — Innis, goal; Wilson, Kelly, defense; Fisher, centre; Evans, Gordon, wings; O'Reilly, O'Connell, subs. Western — Coleman, goal; McTague, Charlebois, defense; Mowrey, centre; Grace, Auld, wings; Hartwell, Blackwell, subs. Referee—W. H. Legg, London.

Milton Defeats K. & S.

In Exhibition Game

Milton, Feb. 3.—The big crowd of hockey fans which filled the arena here last night were treated to one of the fastest exhibition games ever seen in this town, when Milton's O.H.A. intermediate team defeated the K. & S. Tire team of Toronto by 3 to 1. Lorne Chisholm, Milton's crack goalkeeper, again starred for the winners, stopping many wicked shots on the goal.

Although the game was strenuous from start to finish, it was clean. The teams: Milton—Goal, L. Chisholm; defense, R. Chisholm, G. O'Brien, G. Farley; wings, Atkins and Cunningham; subs, Hill and Telfer. Toronto—Goal, Sharpe; defense, Kitchen and Riddler; centre, Goldsmith; wings, Burke and Bidwell; subs, White and Heyd. Referee—Milton of Milton.

Evelith Leaves Ice;

Objects to Decision

(Special Despatch to The Globe.)
Pittsburg, Feb. 3.—Objecting strenuously to a decision made by Referee Carmichael of Toronto, the Evelith senior team left the ice here last night, and departed to finish the game against Pittsburgh. Evelith, playing thrilling hockey, had set the pace throughout the most exciting game seen here in many seasons, and were leading by 2 to 1 until only five minutes remained to be played. Pittsburgh tied the score, and the visitors claimed that McCurry, local left winger, had shoved the puck into the net with his hand. Eddie Rodden rushed in, and knocked the net over. The umpire ruled that the goal was good. Referee Carmichael, after a consultation with Lionel Conacher of the Pittsburgh team, decided to count the goal, and Evelith immediately retired.

U. OF T. SENIOR TEAM ELIMINATES MCGILL

Red and White, Outscored by 4 to 2, Lose Last Chance

McGill University seniors gave the strong University of Toronto team a better battle than expected here on Saturday afternoon, the locals winning by 4 to 2. The result practically assured the Blue and White of the Intercollegiate Union championship.

The locals got the first counter in the second frame, when Hudson passed to Greer, and the left winger beat Reid with a slashing shot. Play was almost continuously in McGill territory, but Reid stopped shot after shot. A lone rush by Westman raised U. of T.'s total to three, and there was no more scoring before the intermission.

Fast play featured the early moments in the last dash, and both goalkeepers made sensational saves in rapid succession. Reid turned three aside, and was given a great hand by the McGill fans. McGill lost several good chances by overdoing combination. Some of the visiting players showed amazing speed, and Louis Hudson had to travel at his best to keep pace with them. Finally McGill lifted the puck past Thompson for McGill's first goal. This spurred the locals on, and Greer stick-handled his way through the visitors and passed to Plaxton, who counted from close range.

Go Down 'Snailish.'

"Shag" team died hard. They outplayed the Blue and White in the last five minutes, and secured another counter. Had they spurred earlier they might have added another goal or two. McGill seniors have added locally in years, and they will likely have the satisfaction of finishing in second place, runners-up to the University of Toronto. Queen's will get the third berth, and University of Michigan will be the cellar chasers.

University of Toronto—Goal, Thompson; defense, Harris, McLeod; centre, Newgrove; left wing, Greer; right wing, Wright; subs, Plaxton, Westman, Hudson. McGill—Goal, Reid; defense, Dempsey, McElbain; centre, Gienelle; left wing, Wyse; right wing, Dinneen; subs, McGeorge, McNaughton, Bell. Referee—Harold Farlow.

To Enter Hamilton Meet

The Ontario championship indoor athletic meet is again being conducted in Hamilton Armories on March 8. Last winter many of the events were won by Toronto athletes and the various athletic associations in the city are anxious to carry off the honors again this winter. A large silver trophy is presented to the club winning the most points.

Entry blanks may be had from any of the local Y.M.C.A. physical departments or direct from Robert Kerr, 91st Armories, Hamilton.

Following is a list of championship events: 60-yard dash, 300-yard run, 600-yard run, 1,000-yard run, three-mile run, one-mile walk, one-mile relay race (four men, each to run 440 yards), running high jump and pole vault. (The above are all open events.)

Girls' and Boys' events—60-yard dash, boys 15 years and under; 60-yard dash, boys 18 years and under; one-mile run, boys 15 years and under; school boys relay race (open to all local public and separate schools). Commercial classes not allowed. Four boys to a team, each to run one lap. Race to be run Wednesday, March 8, 4:30 p.m.

School girls' relay race, open to all local public and separate schools; commercial girls' relay race, open to all girls to a team, each to run one lap. Race to be run Wednesday, March 8, 4:30 p.m.

Special relay races—One mile relay, high schools, 4 boys, each to run 440 yards, open to boys 18 years and under representing local churches.

Leadership at Stake

In Senior Commercial Game

Leadership at stake in the senior commercial game between the Blue and White teams of the University of Toronto and McGill University. The game is scheduled for Saturday afternoon at the University of Toronto arena.

The Blue and White teams of the University of Toronto are expected to give a strong performance, as they have in previous games. McGill University is also expected to put up a good fight, as they have in their recent matches.

The game is expected to be a close one, with both teams having a chance to win. The outcome will determine the leadership of the intercollegiate hockey union.

The game is expected to be a thrilling one, with many goals and exciting plays. The fans are expected to be in large numbers to watch the game.

The game is expected to be a decisive one, with one team emerging as the champion. The outcome will be a matter of great interest to the hockey community.

Chamonix, France, Jan. 28.—
Canada rules favorite in the hockey
division of Olympic winter sports as
a result of the brilliant work of the
Canadian team in winning its game
today against Czechoslovakia. The
score, 30 to 0, demonstrated that the
Canadians have little to fear from
the European teams, as the Czechoslo-
vakians are rated among the
best here.

It has been expected that Canada
would meet only one dangerous op-
ponent for world's hockey honors—the
United States. This team, while it
won its game against Belgium to-
day in impressive fashion, showed a
weakness in team play that drew the
censure of its manager, and the ex-
pressed opinion that less individual
effort and more combination would
be required if the United States was
to have a chance against the Cana-
dian puck-chasers.

"Sammy's" Not So Good.
Belgium went down to defeat be-
fore the United States, 19 to 0.
Canadians found considerable satis-
faction in comparing this with the
30-to-0 defeat the Dominion team
imposed upon the Czechoslovakians.
The latter are rated consider-
ably above the Belgians. In the third
game of the day Sweden defeated
Switzerland 9 to 0, after a mediocre
exhibition of hockey.

Tomorrow the Canadians will face
the Swiss. The United States will
play its next game on Wednesday
against France.

Observers following today's games
were busy comparing the Canadian and
United States teams. Manager Haddock
of the United States team was one of the
first to comment in an unfavorable re-
gard the showing of the team. The
Canadians, he said, showed smooth team
play, whereas the efforts of the players
from the United States were mostly de-
voted to individual dashes down the ice.
His team, he said, must revert to the
passing game if they want to defeat the
Canadians.

The Canadian team got away to a fly-
ing start in today's encounter, and at the
end of the period had their opponents on
the short end of an 8-to-0 score.

Members of the Canadian team are:
F. J. Hewitt, Toronto, manager; F. J.
Smith, Toronto, coach; Duncan Munro,
Toronto, (captain); defense: Harry E.
Watson, Toronto; left wing: Cyril Slater,
Montreal, sub.; Beattie Ramsay, Toronto,
defense; Jack Cameron, Toronto, goal;
Harold McInn, Winnipeg, sub.; Ernie
Collett, Toronto, goal; Reg. Smith, To-
ronto, centre; and A. J. McCaffery, To-
ronto; right wing.

The Parade Commences.
The Canadians registered the first
score in the opening of the
match, when Smith took off. A. J.
McCaffery, right wing, took the puck
down the ice and passed to Harry Wat-
son, left wing, who scored.

The Canadians then allowed their
opponents to carry the play to them.
Dunk Munro blocked the Czechoslo-
vak attack, and carried the puck back to
the Canadians' end of the rink, passing to
McCaffery, who missed the net.
The game speeded up as the puck back-
ward and forward up "Hooley" Smith
struck the puck, passed to McCaffery,
who upset the net. The play went into
Canada's territory, but "Hooley" Smith
missed the puck, and, dashing through the
opponents' team, scored. Soon after-
ward, Harry Watson added another goal
by a magnificent long shot, and Smith
again scored in a few seconds.
The Czechoslovaks made their best try of the
period at this juncture, but could not

HARRY WATSON.
It would seem that Harry Watson is in-
terest on "doing his bit" in France. He
got eleven goals for Canada yesterday
against Czechoslovakia at Chamonix in
the Olympic hockey tournament. It was
in another uniform—one of khaki—that
he "did his bit" in France before. Wat-
son may be relied upon for his utmost
effort in the remaining games of the
series, and indications point to a meet-
ing of the United States and Canada in
the final game for the world's cham-
pionship.

Will Get Less Length
With New Golf Ball

NEW YORK, Jan. 28.—A
new golf ball, weighing approxi-
mately 1.55 ounces, avoidu-
pois, with a diameter of 1.66
inches, which would have
shorter carrying capacity than
the 1.62-1.62 ball now used, will
be recommended to the United
States Golf Association by the
committee of experts headed
by Secretary Lee of the asso-
ciation, which returned tonight
from a week of tests at Jekyll
Island, Ga.

The lighter and larger ball would
obliterate extension of old courses to
a length of approximately 7,000
yards, which would be necessary to
develop the sort of game the ball
now used requires, and enable con-
struction of new courses at less
cost, as, obviously, less area would
be needed for a shorter course.

Mr. Lee and five others, all handi-
cap players, were sent to Jekyll
Island by the association to spend a
week testing balls of various sizes
and weights to obtain data upon
which the association's Executive
Committee could decide upon pro-
portions to adopt officially.

Orangeville Blanked
On Brampton's Ice

(Special Despatch to The Globe.)
Brampton, Jan. 28.—Defeating Orange-
ville here tonight before a large crowd of
6 to 0 in an O.H.A. intermediate game the
locals continued to lead their group, and
have yet to lose a game. The visitors
were no opposition for the clever Brampton
sixer, and at no time was the game
in doubt, although Core was called on to
make a number of sensational stops to
give him a perfect record.
Zimmer scored first for the locals on one
of his fast, high shots from the right
boards after a clever solo effort. Anderson
combined with Hillis for a second, and the
former beat Golden for a third on a long
shot.

In the second period Hillis scored from
the face-off with Golden serving a penalty.
Zimmer again beat the visitors' goal on a
hard and high drive from the side, and
Anderson stickhandled his way through
the green-shirted opposition for a sixth.
The locals were the best in the last
period, but could not bulge the net.

Belleville Rallies
And Wins by One Goal

(Special Despatch to The Globe.)
Belleville, Jan. 28.—Belleville clinched
the group here tonight when they outstay-
ed the Brockville team and won 3-to-3.
Brockville, in the first period, outscored
the locals, 2-0. Belleville went to work,
and when the period was up they had a
one-goal margin, the third period was a
hard, close checking one, with no score.
Kinghorn, the star left winger of the
Brockville squad, had his shoulder broken
in the second period, and until that time
was easily the best man on the ice.
Belleville—Goal, Nurse; right defense,
Finkle; left defense, Green; centre, Hager-
man; left wing, Forchett; right wing,

Brockville—Goal, Murray; right defense,

Canucks Score 52 Goals to Nil in Two Games in Olympic Hockey Tournament at Chamonix—Sweden's Goalkeeper Is Knocked Unconscious by Munro's Shot—Canadians Play Switzerland Today

Chamonix, France, Jan. 29.—The Hockey teams of Great Britain and Canada triumphed over the French and Swedish teams in the Olympic games today. The Canadians added to their brilliant reputation by fairly smothering the Swedes, considered the strongest European team, winning by a score of 22 to 0. The English team defeated the Frenchmen 15 to 2.

The women's figure-skating contest went to Mme. H. Szabo-Plank of Austria, with Miss Beatrix Loughran of New York second. Mrs. Therese Weld Blanchard of Boston took fourth honors and Miss C. Eustice Smith of Toronto sixth.

Canada's victory over Sweden has made the Canadians big favorites for the Olympic hockey championship. The Swedes never had a chance in the face of skill and speed the like of which is said never to have been seen before in the Old World.

Best in All Hockey History.
Chairman P. J. Mulqueen of the Canadian Olympic Committee said the team in its present form equalled any sextet that ever took the ice, either in Canada or the United States, in the history of the game.

The game opened at a fast pace with the Canadians facing the sun. Bert McCaffery, Canadian right wing, was the first to test the Swedish goalkeeper. The shot went wide, and McCaffery collided with the goal. Play was transferred to the Canadian end, and Munro relieved, skating through the opponents and notching the first goal.

Combination Beats Them All.
"Hooley" Smith was the next to shoot, but failed to score. Sweden strengthened their defense at the expense of the attack, and bodychecked heavily. They were able to hold the Canadians out for a time, but a beautiful combination play, in which Watson, Munro and McCaffery combined, spread on the Europeans, and Smith scored.

Sweden attacked vigorously, but could not get Munro and Ramsey. Smith finally relieved and carried the puck almost to Sweden's goal, but failed to score. The next tally was made as a result of McCaffery's individual rush. Ernie Collett, who played for the Canucks, was called upon at this juncture to make his first difficult save, and he did it splendidly. Watson and McCaffery broke away for a two-man rush, McCaffery taking the pass and scoring. Harold McMunn of Winnipeg replaced McCaffery on the forward line. The Canadians, back-checking, were able to break up many of their opponents' attacks. Beatty Ramsey skated through and scored.

Play Through Snowstorm.
The sky had become clouded, and a heavy snow flurry blinded the Canucks, who held the puck and circled round the enemy's goal. McMunn, the Winnipeg boy, played well. Collett was called upon to save again as the Swedes fought hard to score. The Canadians combined effectively, and were able to smother Sweden's rushes, although they did not shoot often. The Swedish captain played wonderfully well. Slater replaced Smith. The period ended 5 to 0.

In the second period the Swedes resorted to the defensive play, and their goalkeeper was warned for dropping on his knees. (The Hockey Committee decided before the match began that this would not be allowed.) Unfortunately, he was struck by the puck shortly afterward and badly hurt. The game was stopped, and he had to be replaced.

Harry Watson scored on a long shot, Slater moved over to left wing in a combined rush with Watson and Ramsey, Slater scoring. A Swede defense man lifted the puck and Slater brought it back almost scoring. McCaffery, who had returned in the play, made a brilliant rush and scored.

Good Goalkeeping.

Slovaks Enter Protest When Life Endangered

Chamonix, Jan. 29.—While competing in the skiing events today the Finnish military skier, Mattila, narrowly escaped serious injury, shooting down a sharp 200-foot declivity, at the bottom of which he was buried in snow for several minutes before being rescued by comrades.

Mattila was unhurt, but the incident caused a protest to be lodged with the officials by the Czechoslovak team because of other members of his team taking off their skis in order to assist him, which is against the rules of the competition. The United States skiers arrived today.

In connection with Czechoslovakia's protest in the ski competition after the Finnish competitor, Mattila, had fallen, the jury ruled that a skier falling 200 feet down a precipice without breaking his neck was entitled to have the Olympic rules stretched in his favor. It therefore refused to entertain the Czech protest and confirmed the result of the military ski race, placing Finland second.

Mattila broke a ski in his fall and then obtained a new one, instead of repairing the damage, as specified in the rules governing the competition.

In the second period the desperate effort of the Swedes to keep the score low failed again. The Canadians got going in real form in this period, and showed amazing speed. The Swedes, although fast skaters, appeared to be standing still, bewildered before the speed and tricky passing of the Canucks.

Swedish Goals Unconscious.
In this period, Ohlson, the Swedish goalkeeper, stopped one of Munro's cannonball shots from the left side of his face. He was unconscious for three minutes, but after being revived pluckily resumed play. Seven goals were tallied by the players from the Dominion in this period. The score in the following order: Munro, Ramsey, McCaffery, Cyril ("Big") Slater, Montreal; Watson, Ramsey and McMunn.

The playing of the Canadians, which had been superb at the outset of the game, improved right along, and in the third period the spectators were treated to a dazzling exhibition of stickhandling, skating and combination play. The puck seldom got past mid-ice in Canadian territory. The entire Swedish team, backed up against the mouth of their own goal, made desperate efforts to stave off the attack of the Canadians. Through this jam the Canadians managed to squeeze the puck for ten more tallies. The Canadians who scored in this period were, respectively: Watson, Watson, Ramsey, Smith, Smith, Smith, Watson, Munro, Ramsey.

The line-up of the Canadians as they took the ice follows: Ernie J. Collett, Toronto, goal; Beattie Ramsey, Toronto, right defense; Duncan Munro, Toronto, left defense; Reg. Smith, Toronto, center; Harry B. Watson, Toronto, left wing; A. J. McCaffery, Toronto, right wing.

In the hockey contest tomorrow, the United States met the Ontario Canada plays Switzerland, and England Belgium.

Canadians Get 30 Goals Against Slovaks, 22 Against Swedes, 33 Against Swiss — Harry Watson Scores 31 Goals in Three Games—No Game Today — Semi-final Friday and Final on Sunday, Probably With U. S. Team

Chamonix, Jan. 30.—Hockey, skiing, figure-skating and curling occupied the attention of contestants in the Olympic winter sports today. The Canadian hockey team defeated Switzerland 33 to 0; Britain defeated Belgium 20 to 3; the United States won from France 22 to 0. Canada, by defeating the three nations opposed to her in the upper half of the hockey draw, has already earned the right to play against the winner in the lower half, in which the United States and England are tied for first place with three victories each. The tie will be broken tomorrow when these two teams meet for a decision.

Irresistible Strength

Canada has given an impression of irresistible strength in all the hockey matches. The United States team has done well, but in one period today against France faltered badly. Manager Haddock read the riot act to the boys, because he seemed to think they were content to fight for second place. They promised to show a "peppy" brand of hockey against Britain tomorrow. The enthusiasm of spectators at today's hockey matches was apogized to a high pitch by the performance of the Canadian puck-chasers. William Hewitt, manager of the Canadian team, could not be other than satisfied with the perfection of the Dominion's hockey machine as demonstrated against a team coming from Switzerland, the European home of winter sports.

The game, as indicated by the score, was little more than a practice for the Canadians, who bombarded Savoie, the Swiss goalie, at will. McCaffery, Watson and "Hooley" Smith skated rings around the Swiss defense, while Ramsey and Munro, with small chances to demonstrate their ability at stopping rushes, took occasional dashes down the ice to drive wicked shots at Savoie. Jack Cameron, keeper of the Dominion's goal, wandered out and skated about to keep up his circulation.

Other Canadians Star

Canada was again the centre of interest when the British sextet, including—G. Carruthers, E. Carruthers, H. F. Phipps and H. Sexton, all Canadians in England, demonstrated their superiority over Belgium.

A feature of today's games was the ski marathon race, in which 34 contested, representing eleven countries. The United States skiers decided not to start because of lack of practice. The marathon was won by the Norwegian star, Thoralf Haug, who covered the 30-kilometre (31.06 miles) in 3 hours 44 minutes and 33 seconds, remarkable time in the great snow drifts in the mountains. In this event four Norwegians finished in the first four places while Sweden captured the fifth and sixth places.

In the figure skating competition for men, the final choice lay between Gratstrom of Sweden and Bosch of Austria, who were in the lead yesterday when the skaters were contested. Today the competition comprised free figure skating, with the advantage on the side of the Swedish representative, who won the title of Boston was awarded sixth place.

Great Britain defeated France in the curling competition, and won the Olympic championship. Sweden was second and France third.

Norway Take Lead

The standing of the nations at the end of the fifth day, Norway, 15 points; Finland, 6 1/2; United States, 20; Sweden, 19; England, 16; Austria, 10; Switzerland, 13; Canada, 11; Czechoslovakia, 6; Canada, 1; total, 94. The boys themselves had to work hard to keep warm.

Smith, the Canadian centre, who had been following in for rebounds throughout the earlier period, made two scores in quick succession on rebounds off Savoie's pads. Savoie, evidently suffering from puck-shock, allowed Watson to bore in two more. Watson, in another of his end-to-end rushes and bulged the Swiss net. Watson took the pass from McCaffery, and added one more goal to his total.

Combination Again

The scoring machine was reversed in the next minute of play, McCaffery taking a padding Watson and adding a puck past the bewildered Swiss goal-tender. The shooting was fast and furious, and Savoie was the target for hot shots delivered from all angles. "Big" Slater of Montreal, one of the Canadian substitutes, made his debut in the game three minutes before the close, and succeeded in getting one goal.

Seattle Ramsey and Munro, the defense pair on the Canadian side, each scored before the whistle blew, and the period ended. The final score was 33 to 0. The United States team also continued its winning stride today, defeating France 22 to 0. The general expectation is that the final will be between the United States and Canadian teams, with the odds favoring the boys from the Dominion. On the showing made in the elimination matches the Canadian aggression is declared to have the edge on Uncle Sam's representatives in all features of play. Their combination work, past shots, and superior to that of the United States puck chasers.

In today's game Harry Watson had a banner day on the scoring line, shooting the puck past the Swiss goalkeeper 15 times. McCaffery, the other Canadian wing, was second with eight goals; Reg. Smith and Duncan Munro scored five each, and Seattle Ramsey two.

The Canadian manager, William Hewitt, has decided to keep his men on edge for the semi-final Friday and the final Sunday by daily practice. He obtained permission from the officials to use the curling rink for an hour this afternoon and for a similar period tomorrow morning and afternoon.

In defeating Belgium today Great Britain's series put up a snappy line of hockey, and the result of the match, which was in doubt after the first rush down the ice by the Brits.

They scored six goals in the first period, six in the second and eight in the third, meanwhile, playing well within themselves against the weak Belgian team.

Play for Great Britain

The match had a strong Canadian flavor, as four of the men of the British sextet, C. D. Carruthers and E. Carruthers, the forward positions, and H. B. Phipps, defender, are Canadians living in Great Britain. Furthermore, the only Belgian to score was Popilmont, the centre, who learned his hockey while homesteading in the Canadian West.

The United States scored 12 goals in the first period, one in the second, and nine in the third in its victory over France. In the interval between the first and second periods, Quasila, the French captain, delivered a fighting speech to the members of his team in their dressing room, telling them to take the ice resolved to do or die. The Frenchmen took the ice in the second period and kept the United States team to a standstill. Drury being the only one able to score. At the end of the period the score was

ST. MARY'S REMAIN IN GROUP RUN

Irish Defeat Toronto Club Juniors Decisively—Score, 5-1

St. Mary's juniors are still in the for the local group honors in the Junior series. Last night they defeated the Toronto Canoe Club squad by a score of 5 to 1. The Saints showed superiority at all stages of the game at no time were they in danger of being beaten. They kept the puck in territory for most of the 60 minutes when the C.C. did shoot were not checked that their shots were ineffectual. The game was fairly clean, and there were flashes of brilliant hockey. The Irish defense was good, and when passed, while the forward line threw times as many shots on goal as opposing forwards.

Taylor Plays Well.
Taylor was probably the best on the ice. He is a fast skater and a stickhandler. Clayton and Teevin also effective on the Paddlers' team. Burke and Huntman were best visitors. M. Burke's defensive work particularly good. Eddie Burke checked and gave Smith a good deal of trouble. He scored two of the Saints' goals. Burke and Huntman were the other stars, the latter tallying twice.

There were seven penalties, all on St. Mary's. Four of them were Burke, Huntman, Hunt and Kane. The recipients, Brydson, Taylor and ley were the Paddlers who made trill penalties.

St. Mary's opened the scoring after minutes of play, when M. Burke's caromed off Staines' skate into the net. The first lucky one. Ten minutes later, Eddie Burke scored on a from Eddie Burke. He shot from the defense. Smith should have had one.

The Paddlers followed one minute the second period began with their goal. Staines got through the defense, making a pass from Clayton, and on an angle shot. He had only the 6 to beat. Taylor was very effective in period, and Baker was called upon to several of his shots. While Eddie Burke scored a penalty, Grant, at the of a rush from centre, missed a goal. In nine minutes Huntman got second counter on a pass from E. I. in front of the net.

Hunt and Brydson went to the pe box, and the game became rather h both teams checking heavily. With minutes of the period remaining I Burke broke into the scoring column a long shot, and followed it 30 sec later with a second counter. The se he scored after passing the entire To team. Huntman finished the perio the penalty box.

Although there was no scoring in final session, there was plenty of ex ment. Fugley received a penalty, with him in the box Eddie Burke p out to Hunt from behind the net, but later missed by some feet an empty Huntman was injured in a collision, was removed from the ice, later on back to finish the game. Penalties Kane and Taylor left the teams pla minus one man, and St. Mary's kep their bombardment of Smith.

St. Mary's Goal: Baker; defense, Burke and Knight; centre, Callig wings, Hunt and Kane; subs, E. B and Huntman.

Toronto C.C.—Goal, Smith; deft Staines and Taylor; centre, Clay wings, Teevin and Grant; subs, Bry and Fugley.

Canada and States Meet Sunday For World's Hockey Championship

Canada Beats Great Britain 19 to 2, While U. S. Wins From Sweden 20 to 0 — Several Canadian Players on the British Line-up — No Canadian Competitors on Today's Olympic Program

Chamonix, Feb. 1. — The immaculate goal-line of Canada's hockey representatives at the Olympic games received its first smudge today when the right wing of the team from Great Britain slipped two unexpected shots past Collett, the Dominion's goalkeeper. But for the slight fall-down in the defense, the Canadians maintained the reputation which they have held since the hockey began, and the perfection of the Maple Leaf's offensive machine resulted in 19 tallies being registered against Great Britain.

The United States team, displaying the best stuff they have so far put up, snowed under Sweden with a 20 to 0 triumph. The United States goalkeeper was never once threatened, and the team thus goes into the final event with Canada on Sunday with a record of 50 goals scored against them. The United States team has scored 72 goals against Canada's 104.

McCaffery Leads Scoring.

McCaffery led the scoring for the Canadians today, getting three in the first period and one each in the second and third, for a total of five. Smith and Munro came next with four goals each. Watson and McMunn collected tallies in the first and third periods, and Sig Slater scored in the third period.

The scores were made in the following order:

First period—McCaffery, Watson, Smith, McCaffery, McMunn, McCaffery—6.

Second period—Smith, Munro, Munro, Smith, Munro, McCaffery—6.

Third period—Smith, Munro, Watson, McCaffery, Watson, McMunn, Slater—7.

Both British goals were scored by Charles Carruthers in the first period.

Four members of the British team are Canadians. They are: H. B. Pittblado, Winnipeg, Sinton and the two Carruthers brothers. The latter are now residents in Great Britain.

Better Than Expected.

The British put up a surprisingly effective game, both on defense and attack, against the strong Canadian combination, which started out as if they intended to pile up one of the 30 to 0 scores to which it has accustomed the Olympic spectators. Smith, the Canadian left wing, got the puck from the face-off and passed to McCaffery, who scored before two seconds had elapsed. Later Watson pushed the puck into the British net from scrimmage. Smith scored on a pass from Carruthers. Charles Carruthers, British right wing, then brought the spectators to their feet by catching Collett, the Canadian goalkeeper, asleep and scoring with a shot that apparently could have been stopped. This was the first goal scored against the Canadians in the Olympic competition here.

Revenge came within the next minute, when McCaffery shot past Carr-Harris, the British goalkeeper, from a difficult angle. Then he held the Canadians for several minutes, the puck travelling up and down the ice. The attacks of the Old Country players were broken by Munro and Ramsay, while Carr-Harris was making perfect stops at the British goal.

Finally Charles Carruthers again eluded Collett, and made the second and final goal. Harold McMunn, Winnipeg, who now replaced Watson in the Canadian line-up, an McCaffery then scored in rapid succession for Canada, and the first period was over.

That Good Defense.

The second period was marked by slow play, the Canadians taking things easy, while the efforts of the British to score again were foiled by the strong defensive work of Munro and Ramsay. Although the British started three fresh men in this period—Jukes and Carruthers—

BATTLE ON SLUSHY ICE IS WON BY PRESTON

Kitchener Green Shirt Seniors Are Beaten at Home by 2 to 1

(Special Despatch to The Globe.)

Kitchener, Feb. 1.—In a game of individual hockey that resembled slushy more than hockey, owing to the heaviness of the ice, Preston tonight defeated the Kitchener Green Shirts, 2 to 0. The victory puts Preston in second place in the group.

For two periods the teams battled on even terms, but the soft condition of the ice practically made team play impossible. For two periods this existed with neither team scoring. Arnett electrified the crowd by whipping in a long low shot from centre immediately after the face-off. That looked "like a million", but Kitchener tore in and carried the play to their opponents, having a very wide margin in the play. Schmalz, in goal, turned in a fine game, handling the rolling, difficult shots and the fast ones in great fashion. The last period was a terrific one, with both teams giving all they had. Kitchener was continually on the offensive, while Preston were tiring fast and battling to save the Green Shirts off.

A dozen times it appeared as if the Green Shirts were going to land the equalizer on the Preston team, but they were held off, and finally, with less than three minutes to play, Carr broke away from a scramble and, with no defense to beat, walked in on Woods, only to have the latter make a spectacular save, while prone on the ice. Arnett picked up the puck and slipped it into the net. That clinched the game.

Allan Sherk, the Green Shirt centre, had his collar-bone fractured during the first period when Bowman bodychecked him, and the Kitchener team had to play with seven men after that for the balance of the game.

Preston—Goal, Schmalz; defense, Skelly and Bowman; centre, Arnett; wings, Krasnow and Clarke; subs, Ruth and Eger.

Kitchener—Goal, Woods; defense, Karsen and Master; centre, Sherk; wings, Molson and Erb; subs, Maloney and White.

Referee—Harold Farlow, Toronto.

ST. ANDREW'S BEATEN; U.T.S. NEED ONE MORE

One of the Best Games of the Season—Score, 1 to 0

University of Toronto Schools Juniors put the St. Andrew's College team out of the running for the O.H.A. championship when they won a thrilling engagement at the Arena yesterday afternoon by 1 to 0. It was the best played game seen in the preparatory school group this season. The Presbyterians did most of the attacking and had six shots, but every one delivered by U.T.S., but brilliant goalkeeping by Humphreys and the great checking of the courageous Bloor street youngsters kept them off the score sheet.

It was the third defeat suffered by the Scotsmen, and they lost their last chance to get into a play-off series for the title. U.T.S. can win the honors by defeating the Upper Canada College in their final game, but this will be a hard task, as the Blue and White, despite their lousy standing, are strong. If U.T.S. lose, they will finish the series tied with St. Michael's College.

ST. MARY'S DEFEAT BY TWIN CITY T

Locals Make Plucky Effort to Overcome Four-goal Lead

St. Mary's seniors rallied too late last night and the Kitchener Twin City team finished on the long end of a 5 to 4 tally. The visitors set the pace until the period, when the locals finally decided on a play combination and came back with a great rush to score three goals in the session after trailing by 5 to 1.

As in all their other engagements, Irish had as much of the play as opponents, and only their selfishness let them the verdict. The hard chivalry of Kitchener players were too much for individual efforts, and this despite clever stick-handling by Bailey, Durr, Kitchener.

Referee Sandbrook had a hard handle in that the checking was not according to the rules. Hooking and plugging, with the visitors the worst offenders, marred an otherwise well played game. St. Mary's did not infringe rules to any great extent until the end of the visitors forced them to do something in self-defense.

Few Fans Attend.

It was a peppery exhibition with by one of the smallest crowds of the season. The players did not, however, let the lack of patronage to affect their efforts, and they travelled at a fast throughout.

The Schnarr brothers were prompt for the winners and Werner especially effective on the attack. He showed judgment when nearing the defense, and when they rushed, he was very checked, with the result that he was as effective as in former appearances.

He played well in front of Kitchener net, often outguessing the attackers after they had passed the fence. The defense, with Siebert, Hemphill as the regulars and Hillman as the reserve, was generally allowed to mess, but these players were dangle when they rushed. Siebert was very checked, with the result that he was as effective as in former appearances.

Visitors Score Two.

Kitchener opened with a strong offensive, and showered shots at Tommy Ciss but the veteran was in great form, and he soon had the fans cheering for him. It was not until four minutes into the game that Siebert scored on a lucky shot from the side. He was behind the goal line when he attempted to pass the puck to a teammate, and Clark was fast enough to deflect it into the net. Five minutes later Hiller raced in to pass and score. It was his first goal of the season.

St. Mary's did slightly better work in the next session, but as in the opening period they failed to play together. Two wings roamed from their positions as the puck-carrier was generally allowed to attack without assistance from teammates. Kitchener took full advantage of the opportunity and Werner Schnarr scored twice on swift shots after passing the defense. Two penalties Kitchener handicapped them and in the absence Frank Burke scored St. Mary's first counter.

Show Good Form.

The Irish "found" themselves in the last twenty minutes and gave their best display of the season. They were not uniform in their start proceedings when an offside pass enabled Hillman to acc Kitchener's fifth goal. The referee his back turned to the play and therefore was unaware that it was illegal. This reverse happened one minute after the period began. The locals, however, stuck close to the passing game and managed to keep the Twin City players well bottled up in their own end of the rink.

Finally Kitchener raced down, flanked by two players, and suddenly drilled or past Fries. He came back eleven minutes later with another counter scored, but close range and this goal put the Irish right up in the fight. They were all over the visitors at this stage and one minute after Kitchener's successful shot Probst stick-handled his way through the whole team for the last goal.

The result put St. Mary's out of the running for the O.H.A. championship, the defeat being their fifth in six starts. In only one game, however, were they decisively outscored, Kitchener beating them at Kitchener by 7 to 2. The St. Mary's and Kitchener players are the youngest in the league and will be heard from in future seasons.

That Play-off Series.

Harry Wismer's players are right in the race for the highest honors. They have won four games and lost three and have yet to play against Parkdale here and Hamilton and Aura Lee at Kitchener. If they win all three they will likely qualify for the play-off series.

George Hiller showed better form than in his first start of the season against University of Toronto last Tuesday. He was a lot at right wing and was as good as ever. Hiller is a great combination player, as Toronto fans well know, and his addition to the squad strengthens it considerably.

Kitchener—Goal, Fries; defense, Hemphill.

niper, Sexton and the two Carruthers brothers. The latter are now residents in Great Britain.

Better Than Expected.

The British put up a surprisingly effective game, both on defense and attack, against the strong Canadian combination, which started out as if they intended to pile up one of the 30 to 0 scores to which it has accustomed the Olympic spectators. Smith, the Canadian left wing, got the puck from the face-off and passed to McCaffery, who scored before ten seconds had elapsed. Later Watson pushed the puck into the British net from scrimmage. Smith scored on a pass from Carruthers. Charles Carruthers, British right wing, then brought the spectators to their feet by catching Collett, the Canadian goalkeeper, asleep and scoring with a shot that apparently could have been stopped. This was the first goal scored against the Canadians in the Olympic competition here.

Revenge came within the next minute, when McCaffery shot past Carr-Harris, the British goalkeeper, from a difficult angle, and then held the Canadians for several minutes, the puck travelling up and down the ice. The attacks of the Old Country players were broken by Munro and Ramsay, while Carr-Harris was making perfect stops at the British goal.

Finally Charles Carruthers again eluded Collett and made the second and final goal. Harold McKinnon, Winnipeg, who now replaced Watson in the Canadian line-up, an old McCaffery then scored in rapid succession for Canada, and the first period was over.

That Good Defense.
The second period was marked by slow play, the Canadians taking things easy, while the efforts of the British to score again were foiled by the strong defense work of Munro and Ramsay. Although the Britishers started three fresh men in this period—Jukes and Cuthbert on defense and Clarkson on the forward line—Canada had no trouble in reaching the net six times. The third period was uneventful, the Canadians playing a smooth combination game without undue exertion, adding seven goals to their total and winning the match 19 to 2. The warm sun made fast playing during the ice was very sloppy toward the end of the match.

The play of the Canadians today caused some wild shouting from the bleachers. The spectators apparently were under the impression that the Canadians did not wish to administer too severe a beating to the mother country.

To experts, however, the Canadians appeared to be in their usual strong and aggressive form and to improve as the game went on. They scored more goals in the third period than in the first. The first goal scored against the Canadians was the result of some careless play by Collett, who was in goal. The second, however, was clearly earned. The puck landed in the upper corner of the net.

The Carruthers brothers, Pitblado and Saxton starred for Great Britain.

Watson Says 15-0.
"What do you think of the United States players whom you are sure to meet in the final?" a newspaper correspondent asked Harry Watson, one of Canada's star hockey players.

"We ought to beat them 10 to 12 to 0," was Watson's reply.

Czechoslovakia defeated Switzerland today 13 goals to 2 in a competition which decided which team would occupy the cellar position in the upper half of the draw.

The lips-up of the two teams was: Canada—Goal, Ernie J. Collett; defense, Duncan Munro, Beattie Ramsay; centre, Reg. (Hockey) Smith; wings, Harry E. Watson, A. J. McCaffery.

Great Britain—Goal, Carr-Harris; defense, H. B. Pitblado, Holmes; centre, E. Carruthers; wings, C. Carruthers, M. Sexton.

Today's games give the first real comparison of Canadian and United States strength. The United States beat the British by 13 to 0, as compared to the Canadians' 19 to 2 victory over the same team.

The Canadians beat Sweden 23 to 0, while the United States beat the Swedes 20 to 0.

Hockey enthusiasts tonight are trying to twist the comparative scores into the true prophecy of the coming United States-Canadian game. The Canadians are still the favorites, but the betting odds dropped after today's results.

REQUEST PRES. CALDER TO FINE TORONTO CLUB

Ottawa Pros, Feel That Locals Should Be Punished by League

Ottawa, Feb. 1.—The Ottawa Hockey Association, through Secretary T. P. Gorman, has requested President Frank Calder of the pro. league to investigate the charges laid by Charles Querrie of Toronto against Referee Arthur Ross, umpire Ernie Butterworth and players Boucher, Clancy and Broadbent of the Ottawa team, and if the charges are not substantiated, fine the Toronto club. Mr. Querrie's action, they state, is an infringement of the league rule passed at last Saturday's meeting, investing in President Calder the power to fine any club making charges which reflected on the league, its officials or clubs.

Campbellford Indians defeated the Lake Huron team by 8 goals to 5 in a league game last night. There were few penalties.

ST. ANDREW'S BEATEN; U.T.S. NEED ONE MORE

One of the Best Games of the Season—Score, 1 to 0

University of Toronto Schools Juniors put the St. Andrew's College team out of the running for the O.H.A. championship when they won a thrilling engagement at the Arena yesterday afternoon by 1 to 0. It was the best played game seen in the preparatory school group this season. The Presbyterian side most of the attacking and had six shots for every one delivered by U.T.S., but brilliant goalkeeping by Humphreys and the great checking of the courageous Bloor street youngsters kept them off the score sheet.

It was the third defeat suffered by the Scotsmen, and they lost their last chance to get into a play-off series for the title. U.T.S. can win the honors by defeating Upper Canada College in their final game, but this will be a hard task, as the Blue and White, despite their heavy standing, are strong. If U.T.S. lose, they will finish the series tied with St. Michael's College.

The only goal was scored three minutes after the game commenced when Kenny Smale beat Nugent with drive from the wing. It was a perfect shot with speed behind it. As St. Andrew's forced the play the fans were in a state of anxiety. They did not think that they could win. The players could continue to defy all the efforts of their opponents to score. In the third period the excitement was intense, and as the minutes ticked away and St. Andrew's were unable to get the past Humphreys, the U. T. S. supporters were wildly excited.

St. Andrew's, struck with all they had in the last five minutes. They crowded the U.T.S. net like horsets, but Humphreys kicked or batted the puck away, and at least five times was almost beaten. He, however, managed to save by falling on the puck and his tactics were objected to by the St. Andrew's management. Throughout the struggle he made at least 20 stops by his courageous method of defense.

Every player on the U.T.S. team did his part. McCausland returned to form with lots to spare, and his shifty attacks and good checking were features of the game. Little Joe Cook overrode the best efforts of former games, while Bennett and McTavish laid down a checking barrage on the wings that was one of the strong points of the U.T.S. defense.

U. T. S.—Goal, Humphreys; defense, Smale and Gossett; centre, McCausland; left wing, Bennett; right wing, McTavish; subs, Sparrow and Cook.

S. A. C.—Goal, Nugent; defense, Corrick and Paul; centre, Miller; left wing, Hamblin; right wing, Palmer; subs, Whitlans and Chamberlain.

Fords Meet Kodaks In Mercantile Fixture

The first game in the Mercantile popular program for tonight will be a lively affair between Kodak and Fords. The Camera men won their tilt against the automobile sextet a few weeks ago, and need this game badly to stay in the running.

The second feature of the program will bring together C. C. M. and Hydro. The last time these two teams met the game was a tie affair until the last few moments of the third period, when Stevenson, for the league leader, scored the winning goal.

Wednesday night, February 6, has been booked with Manager Norm Smith, when the opening postponed games of December 13 will be played. C. C. M. and Fords are out the program for the first engagement, while Kodak and Hydro are on for the second part.

LAKEFIELD DEFEATS YOUNG'S POINT.

Peterboro, Feb. 1.—(Special).—Lakefield defeated Young's Point tonight to 4 in the first game of the Lakefield district series for the Cassamung Cup. The game was put up a good game throughout and won their merits. The line-up: Young Point—Goal, Alfrey; centre, J. Carroll; wings, A. Brooks and A. Wood; subs, B. Herd and W. Saxby. Lakefield—Goal, Hill; defense, M. Dever and W. Payne; centre, E. Norbury; wings, M. Wamamaker and H. Hamblin; subs, F. Payne and T. Hampton.

Referee—Reg. Murgan.

CORNWALL, ST. QUEEN'S, 1

Kingsford, Feb. 1.—Cornwall defeated Queen's, 5-1, in an intermediate O.H.A. game last night. Queen's led punch and seemed indifferent as to the result. Two of Cornwall's goals were farcical.

Gutta Percha and Robertsons Win Commercial Games

In a game at Whitelands Arena last evening in the senior Commercial series of the Toronto Hockey League Gutta Percha beat Bell Telephone 4 to 3. Bell ran in three quick goals before the rubber men knew what had happened. In the second period Gutta Percha could only tally once, but came back strong in the final frame, running in three goals. The winning goal was scored in the last two minutes of play.

The second game brought the old rivals, Robertson Bros. and Imperial Oil, together, which was won by the former 2 to 1. Imperial Oil seem to be the hard luck team of the series, according to the many games they have lost by one goal. The same team is liable to upset the odds any time. The teams:

Gutta Percha—Goal, Backus; defense, McDonald and Fisher; centre, Gibbs; wing, McCormick and Shelby; subs, Poole, Plumley and Bolton.

Imperial Oil—Goal, Shea; defense, McGregor and Benson; centre, Thompson; wings, Moore and Nolan; subs, Davies, Hobbs and Walmesley.

Robertson Bros.—Goal, McFarlane; defense, Fenwick and Stanfield; centre, Christie; wings, J. Boland and C. Boland; subs, Craig, Gumbel and Robb.

Imperial Oil—Goal, Stone; defense, Dore and McLean; centre, Dunk; wings, Pape and Moore; subs, Brown and Peller.

Referee—R. B. Bailey.

last twenty minutes and gave the display of the season. They were unfortunate to start proceedings with a referee pass enabled Hillman to score Kitchener's fifth goal. The referee's back turned to the play and it was unaware that it was illegal. The referee was then sent to the stands. The game, however, stuck to the passing game and managed to the Twin City players will bottled the end of the first half.

Finally Kitchener raced down, by two players, and suddenly drill past Fries. He came back eleven minutes later with another counter, secured close range and this goal put the right up in the fight. They were the visitors at this stage and one after Kitchener's successful, Hillman stick-handled his way through the team for the last goal.

The result put St. Mary's out of running for the O.H.A. championship. Kitchener's fifth in six starts only one game, however, were the closely outscored, Kitchener beating at Kitchener by 7 to 2. The St. Mary's and Kitchener players are the young the league and will be heard from future seasons.

That Play-off Series.

Harry Wismer's players are right to race for the highest honors. They won four games and lost three and yet to play against Rosedale here. Hamilton and Aura Lee at Kitchener they win all three they will likely qu for the play-off series.

George Hillman showed better form in his first start of the season at University of Toronto last Tuesday. He was used a lot at right wing and his was as a deadly as ever. Hillman is a combination player, as Toronto fans know, and his addition to the strength of the team is considerable.

Kitchener—Goal, Fries; defense, Hill and Silbert; centre, W. Schnarr; wing, G. Schnarr; right wing, Hill; left wing, Hillman and Gress.

St. Mary's—Goal, Clark; defense, Sullivan and Kitchener; centre, Brodie; left wing, Turner; right wing, F. B. Suss, F. Sullivan and Bailey.

Referee—Russell Sanderson, Paris.

Three Pro. League Tea in Running for Second Place

With second place, and the right play off with Ottawa for the Natio League championship as the prize, night's battle between Hamilton and Patrick's should be one of the best of the season. Neither team can afford slip. The Irish are stopping along a game ahead of the climbing Bengu and if they are beaten tonight and Caldens outscore Ottawa at Montr three teams will be tied for second last place.

Hamilton players are not a slow aggregation. They showed this to satisfaction of all at Montreal last Wednesday, but those speed merchants gathered together by Percy Thompson a coached by Percy LeSueur are a different proposition on artificial ice. They are confident they can lower St. Patrick's colors here, and will be a greatly grined squad if they fall.

In the games in the first half of the schedule St. Patrick's won three out four. In their two appearances here Hamilton have been beaten, but LeSueur was not in charge then, and the tea not as strong as it is at present.

That a capacity crowd will attend assured. Tickets are hard to get, though there will likely be plenty standing room for all those who wish see these old rivals in action.

The visitors are a colorful aggregation. In the Green brothers and Billy Burt they have three fast forwards, who are fearless and capable. It was only recently that the Greens got a chance make regular places, and they have more than lived up to expectations. Randa and Proder will be on the defense, while Forbes guarding the net. Mickey Ross and Jess Spring, both of whom have been out of action through injuries, will be relief men.

St. Pat's will use their regular line, with Dye, Noble and Arbour starring on the front line. Corbeau on Stuart, defense, and Roach goal, round out the regular squad. Andrews, Jackson, Loughlin and Adams will be substitutes.

WOODWARD STILL CHAMPION.

Montreal, Feb. 1.—A. P. Woodward of Montreal, Canadian English billiard champion, successfully defended his title here this week against E. A. Leigh, local challenger, defeating the latter in 6,000-point match, which ended this evening by 1,401 points. Leigh made the highest break of the match; 213. Woodward's high was 140.
