By The Associated Press

STOCKHOLM, Feb. 12—The United States team defeated Switzerland today, 12—5, in its opening match in the world amateur ice hockey championships. Pouring it on in a wild-

scoring first period, the United States team rolled up a 6-to-2 lead at the intermission and never was headed.

Bruce Mather, center from Springfield, Mass., rammed the first goal into the Swiss net unassisted in 1:47, and the rout was on.

Prince Johnson, Grand Forks, N. D., wingman who got two goals and an assist during the hectic opening stanza, made the second at 4:26. Gerry Kilmartin, Providence, R. I., made it 3-to-0 at 8:22 on a pass from Mather before the Swiss could find the U. S. goal.

Sweden opened the tourney by routing Finland, 12—1, before nearly 7,000 spectators in Olympic

STOCKHOLM, Feb. 12 (Reuters) — Canada's Sudbury Wolves whipped in a sensational 47 goals without reply when they took the ice here tonight against Denmark in the world ice hockey championships.

The bewildered Danes could only

watch as the Wolves kept a stranglehold on their goal, notching 13 goals in the first period, 16 in the second and 18 in the third. The Danes were rarely able to advance across the center line.

Principal Canadian scorers were Jim Russell with eight, Stanley with five, De Bastiani with five and Monroe with five.

STOCKHOLM, Feb. 13 (AP)—The United States hockey team ran up five straight goals in the first period and went on to trounce Norway, 12—1, in the world ice hockey championships today.

It was the second victory in as many starts for the American sextet. Canada and Sweden, victors in their Saturday openers, also won their second contests handily today. Canada, which swamped Denmark, 47—0, yesterday, blanked Austria, 7—0, and Sweden defeated the favored Czechoslovak six, 4—2.

A crowd of 11,000 saw the United States, paced by Buck Crouse and Bruce Mather, pile up a 7-1 lead in the first period. Crouse of New Haven, Conn., tallied the first two. Mather of Springfield, Mass., racked up four goals. He scored three yesterday.

The double triumphs qualified the United States, Canada and Sweden for the final six-team round-robin tourney which will begin on Tuesday.

Tomorrow the remaining preliminary matches will be played. Austria, Switzerland and Czechoslovakia are favored to join the other three teams in the final.

SWITZERLAND WINS FROM U. S. SIX, 5-4

**Fists Fly, Player Banned as
Canada Loses to Czechs,
Quits Ice in Protest**

STOCKHOLM, Feb. 15 (UP)—In a bitter, fist-swinging battle in which a Canadian, Jim Russel, was banned from the remainder of the meet, Czechoslovakia defeated Canada by 3 to 2 today while Switzerland defeated the United States, 5 to 4, in another rough opening-round match in the championship division of the world amateur hockey tournament.

Sweden swamped Austria, 18 to 0, in the third match of the day as the United States and Canadian sextets suffered their first defeats in this year's competition.

Russel, who figured in the scoring of Canada's goals, was banned after a series of fist fights with Czech players. He was dismissed from the ice during a hectic third period and the game officials said his conduct would be reported to the International Ice Hockey Federation.

At one time during the match the Canadians became so incensed they skated off the ice in protest.

Directly after the Czechs scored their second goal of the match during a pile-up in front of the Canadian cage, the Canucks, staged their mass exit.

Bitterness between the teams stemmed partly from last year's winter rivalry when Czechoslovakia won the world championship in Prague and Canada later won the Olympic meet in St. Moritz.

The Switzerland-United States game was a rough one and the crowd frequently booed the Americans because of their rough play. In the third period, when the Swiss scored the goal which gave them their margin of victory, five Americans were penalized.

The Americans also were booed in the second period when two Swiss players, Center U. Poltera and Winger P. Cattini, were injured and forced to retire from the game.

Switzerland started fast, scoring its first goal in the first minute of play and went on to gain a 4-to-1 margin in the first period. Bruce Mather of Belmont, Mass., scored the American goal and also led the United States second-period attack which tied the score at 4—all.

Mather got his second goal soon after the period started and Gerry Kilmartin of Providence, R. I., then cut the Swiss margin to one goal. Jack Riley, the United States player-coach from Medford, Mass., scored the equalizer, but that was the end of the American scoring.

Eight Hockey Fans Hurt in Rush To See Sweden Tie Canada, 2-All

Police Reserves Called to Curb Stockholm Throng Drawn by Rough Play in World Tourney—Czechs Win Again, 7-1

STOCKHOLM, Feb. 16 (AP)—In one of the most thrilling matches of the tournament, Canada and Sweden battled to a 2-2 tie tonight in the world amateur ice hockey championship.

Start of the game was delayed when crowds attempting to jam into Olympic Stadium got out of control and police reserves were summoned to restore order.

After Canada had taken a first-period lead of 1 to 0, Lars Pettersson shot an equalizing goal in the second stanza. Canada's Herb Kewley scored in the fourth minute of the final period, but three minutes later Ake Andersson tied it again.

Iron fences were torn down by the surging crowd and first reports were that eight persons were injured trying to gain admission to the stadium. The stands seat just under 7,000 persons.

A fracas between Canadian and Czechoslovak players last night aroused unusual interest in tonight's contest.

Police Restore Order

Police finally restored order and the Canada-Sweden match got under way, with Tom Russell of the Maple Leaf sextet again the man of the hour. Russell, involved in a fight with a Czech player yesterday, scored in the first period.

Russell's fight and the rough game yesterday had hockey on the front pages of Stockholm newspapers. Russell was called on the carpet and warned a recurrence would cause him to be banned from the tourney.

Appearance of the Canadians on the ice indicated that Max Silverman, talkative Maple Leaf manager, had not executed his reported threat to withdraw the team

because of dissatisfaction with the officiating.

In an earlier game tonight the Czechs defeated Austria, 7 to 1, to take the lead in the tourney with two straight victories.

In marked contrast to last night's hectic game, when the Czechs defeated Canada, 3 to 2, there were only three penalties in their match with Austria. The International Ice Hockey Federation warned that any players starting fights or other incidents would be banned from further play.

Protest Is Disallowed

Canada protested to the international hockey directorate against the referee's decision in awarding a goal to the Czechs, but officials said the score would stand. Russell said he had been hit with a hockey stick by a Czech player. Police guarded the gates after the game, and escorted the Canadian player bus to its hotel.

The incident and the rough play in that game as well as the United States-Switzerland contest yesterday made front-page news in most Stockholm newspapers today. Sixteen penalties were called as the Swiss won, 5-4.

Sports writers believed, however, that the Canadians alone were not to blame. For the sake of justice, the afternoon Expressen said: "It should be stated that the Czech started the incident by hitting Russell in the stomach with his club."

Stan Konopasek, sparkplug of the Czech team, banged in four goals against Austria. The blond ace is expected to lead his mates to the title. Czechoslovakia won it in 1947 at Prague, and lost it last year to Canada.

CANADIAN SEXTET CONQUERS U. S., 7-2

American Amateurs Lose Last
Chance for World Title—
Sweden Triumphs, 3-1

STOCKHOLM, Feb. 17 (AP)—
Canada slammed home four goals
in the final period tonight to de-
feat the United States, 7—2, in
the world amateur ice hockey
championship tourney.

A standing-room crowd of 7,900
in the Olympic Stadium saw the
United States sextet suffer its
second straight defeat without a
victory and fall from title conten-
tion. By winning, the Canadians
fanned their dim hopes of repeat-
ing as champions. They now have
three points with two games left
to play.

Earlier tonight Sweden took the
lead in the round robin with a 3-1
decision over Switzerland. The
Swedes now have five points with
games remaining against the
Americans and unbeaten Czecho-
slovakia.

Canadians Take Lead Early

The Canadians built a 2-0 lead
in the first period, countered a
two-goal American attack in the
second period with one of their
own, then poured in the four final-
stanza tallies.

Tom Russell got the first Cana-
dian goal after only 1:22 of play.
Jim Russell made it 2—0 at the
13:50 mark.

Center Bruce Mather of Spring-
field, Mass., cashed in a solo dash
after 45 seconds of the middle ses-
sion for the first United States
tally. The Canadians got that one
back before Prince Johnson of
Grand Forks, N. D., sent home the
final American score just 30 sec-
onds before the period ended.
Johnson's goal was set up by Buck
Crouse of New Haven, Conn.

U. S. Goalie Hit By Stick

The Americans had some anx-
ious moments in the second period.
Their only goalie, Dick Bittner of
New Haven, fell in a melee in front
of the American goal. He dropped
to the ice after being hit above
the mouth by a stick. Doctors at-
tended him as he lay in the goal.
He drew cheers when he rose after
a minute.

STOCKHOLM, Feb. 18 (AP)—Czechoslovakia moved a step closer toward regaining the world amateur ice hockey championship today.

The Czechs, who lost the crown to Canada last year, blitzed Switzerland, 8-1, for their third straight triumph in the final round-robin series.

Canada kept its faint hopes alive by crushing Austria, 8-2. The victory moved the Canadians into a second-place tie with Sweden, 1 point behind the pace-setting Czechs.

The United States posted its first victory in three starts by upsetting the Swedes, 6-3. Bruce Mather, Springfield, Mass., led the American drive with three goals. Three goals in the second period enabled the Americans to overcome a 1-0 deficit. The Americans and Swiss are tied for fourth place at 2 points each. Austria is last.

U. S. UPSETS CZECHS AT HOCKEY, 2 TO 0

Riley's Goals Prevent Losers From Clinching World Title in Stockholm Tourney

By The Associated Press.

STOCKHOLM, Feb. 19—An improving United States team upset previously unbeaten Czechoslovakia, 2—0, today in the world amateur ice hockey championships and made the tournament a race again. It was a stirring match played before 8,000 spectators who cheered the Americans long and loud, because the victory prevented the Czechs from clinching the title.

Jack Riley, speedy left winger, from Medford, Mass., got both goals. He was a big favorite with the well-drilled cheer section which let go:

"Hey, hey, hey, U. S. A."

The surprise triumph, gained with only three penalties against them, put the Americans back into good graces with the Swedes. The Yanks had been accused of rough play, along with the Canadian team.

Czechs Lead With 6 Points

Furthermore, it provided hope for Canada, defending champion, and Sweden on winning tomorrow on the final day. After the match the Czechs led the six-team tourney with six points, with Sweden and Canada tied for second with five. The U. S. has four points. This is based on two points for a victory and one for a draw.

The Czechs face Sweden tomorrow and need victory to prevent a possible tie and Monday playoff.

The most spectacular goal of the tournament was scored in the third period on a solo rush. Breaking through the Czech defense, Riley beat the goalie, then made a long somersault, landing five yards to the left of the nets.

Carrying the initiative throughout, the Americans and Riley were cheered wildly when they went ahead in the second period. Riley's goal occurred in the first forty seconds on a pass from Bruce Mather of Springfield, Mass.

In the first period, Czech Center V. Sabrotsky sent the disk into the United States goal. It didn't count because he scored with his stick over his head.

"It was nice to have the public with you for a change," said Riley

later. "I hope the Swedes beat the Czechs tomorrow."

Nemec hit Gerry Kilmartin, Providence, R. I., on the head in the third period, and the Providence, R. I., right forward went down for a short count. When Kilmartin rose, he started after the Czech player, but was restrained by team-mates. Nemec drew a two-minute penalty, which several Swedish sports writers termed "scandalously low."

In another game, Switzerland crushed Austria, 10 to 1.

The 1950 championship probably will be held in the United States. The International Ice Hockey Federation, meeting during the tournament, reached that decision today with a proviso.

The federation decided to accept an American invitation if the United States would put up part of the money required to send European teams to America. The Americans will study the proposi-

tion and announce their verdict after May 30.

In case the United States agrees to help with the finances the championships will be held at St. Paul, Minn., or Lake Placid, N. Y., site of the 1932 winter Olympic games.

The 1951 championships will be played in Great Britain if the United States is host next year. Should the United States refuse the games in 1950, they will be held in England with Czechoslovakia the host in 1951.

by 3-0 — Canada Finishes
Second and U. S. Third

STOCKHOLM, Feb. 20 (AP) — Czechoslovakia won the world amateur ice hockey championship today, defeating Sweden, 3—0, in the final round.

Canada finished second and the United States third. Sweden was fourth, Switzerland fifth, and Austria sixth and last.

The United States forces drubbed Austria, 9—1, and Canada, safeguarded its runner-up position by playing Switzerland to a 1—1 tie.

A crowd of 11,000, including Swedish Crown Prince Gustaf Adolf, saw the Czechs score their deciding triumph on the Olympic stadium rink. About 300 saw the American victory in the morning.

Lost Only One Game

The victory was the Czechs' fourth against one loss and gave them a total of eight points in the final round-robin among six teams. Two points are awarded for a victory and one for a tie.

The United States, led by Bruce Mather, who scored six goals, made it three in a row today after losing their first two contests. The star spangled forces wound up with a total of six points, same as Canada, but placed third behind the Canadians on the basis of goals scored and goals against.

Uncle Sam's representatives tallied 23 goals but had 16 counted against them for a seven-goal spread. Canada, with two triumphs and two defeats, racked up 20 goals and had ten scored against them for a spread of 10.

Sweden Is Fourth

—Sweden, which deadlocked with Switzerland with five points, won fourth place by the same figuring. Austria didn't win a single game.

The Americans played listlessly in the first period today and the Austrians took a 1-0 edge on Walter Feistritzer's goal. But the dikes broke at the start of the second period.

Mather, of Springfield, Mass., tallied two goals within 20 seconds. He added a third midway in the quarter.

The United States made it a rout with six markers in the last period, three by the red-hot Mather and two by Jack Riley of Medford, Mass. Norman Walker accounted for the other American point.
