**Russia Defeats Finland, 10-2,**

**—Czechs Beat Swiss and  
 Swedes Down Germans**

**DORTMUND, Germany, Feb. 25 (UP)**—Canada's Bill Warwick scored six goals today in a first-round match of the world amateur hockey championship to help the Penticton team rout the United States, 12-1.

A crowd of 4,000 watched the game at the Ice Arena.

At Dusseldorf, the world champion Russian squad gained a 10-2 triumph over Finland. In other opening-day matches Czechoslovakia topped Switzerland, 7-0, at Cologne and Sweden won from Germany, 5-4, by scoring two goals in the final period at Krefeld.

The Canadians demonstrated with their victory that they were logical favorites to dethrone the Russians.

Warwick and his two brothers, Grant and Dick, dominated activities. In the final period, when the Americans had lost all of their verve, Bill Warwick maneuvered for three goals in a row, getting an assist from one of his brothers on each occasion.

## Kilburne Adds to Lead

Doug Kilburne scored at 2:20 of the final period to put Canada ahead, 9-1, and Bill Warwick took a pass from Grant and counted at 3:45. The next time Bill went down the ice to tally was on a pass from Dick at 10:10, and Dick again fed him the puck to complete the rout at the fifteen-minute mark.

The Canadians led, 3-0, after the first period. Bill Warwick scored first at three minutes and Kilburne came through with his first tally at the 12-minute mark. Jim Fairburn registered the third goal at 15:00.

All three Canadian goals in the opening period were scored with a fine combination effort of the entire forward line. The forwards curved deftly around the American cage and only the scampering of the then-fresh American defenders prevented a higher total.

The Americans seldom managed to get within shooting distance of the Canadian goal. Ivan McClelland, the Penticton goalie, needed to make only six first-period saves, compared with nineteen for Don Ragazio of Cambridge, Mass., the United States net tender.

## Brief Surge Nets Tally

For a few moments it looked as if the United States team had generated enough power to make a close match of it by storming the Canadian net early in the

second period. The drive culminated with the only United States score, a shot by Dan McKinnon of Williams, Minn., on a solo dash at 2:15 in the period.

But Bill Warwick was off on another free-wheeling dash at 4:20 after taking passes from Dick and Grant. Jack McIntyre, with an assist from Don Berry, scored at 6:30 to make it 5-1. Bill Warwick registered his third goal at 10:55 on a pass from Dick, and McIntyre scored unassisted at 13:13, as did Hal Tarawa at 16:00.

It was more of the same in the third period, in which the only cheering enthusiasts on the sidelines were hundreds of Canadian soldiers stationed in this area. They whooped it up for the Pentictons to "pour it on some more" and the boys on the ice responded.

## U. S. SEXTET TOPS FINNISH TEAM, 8-1

Canadians Beat Czechs, 5-3,  
in World Title Event —  
Russia Trips Sweden

By The United Press.

COLOGNE, Germany, Feb. 26 —America's hockey all-stars, who had appeared startled in their first test against Canada, regained their composure today and scored an 8-1 triumph over Finland in the world amateur hockey championship.

Canada, however, continued to show all-around superiority in its effort to regain the crown from Russia and followed the 12-1 drubbing of America with a 5-3 "vengeance" triumph over a tough Czechoslovak sextet at Dueseldorf.

The Russians scored their second victory, 2-1, in a tough struggle against Sweden at Dortmund. Poland's team played its first game in the international competition and handed Germany its second defeat, 5-4, at Krefeld.

The Americans, starting slowly, took command in the second period and from then on it was no contest. A crowd of only 500 turned out in bitter cold weather.

Finland gained a short-lived 1-0 lead at 6:40 of the first period after the teams had spent the early part of the game trying to outmaneuver each other with defensive tactics. Erkki Hytoenen sent a clean shot into the net on an assist from Seppo Liitsola, a hustling Finnish forward.

America tied the count at 1-1 when Dick Doherty of St. Paul, Minn., vent all the way and hit with a long shot at 8:10.

Then came the foray in the second period when the Americans increased their margin to 5-1 with four goals. All were scored on solo dashes.

The most spectacular performance was by Ed Robson of Arlington, Mass., who tallied fifty seconds before the period ended

## Americans Gain Their Second Triumph in Title Play— Canada, Russia Win

BONN, Germany, Feb. 27 (AP)

— Favored Canada and Russia continued their domination of the world ice hockey championship tonight as each turned in its third victory, but the United States remained in contention with its second triumph in three games.

The United States team, which lost its opener to Canada, turned back Germany, 6-3. Canada and Russia, however, came through with shutouts. The Canadians beat Poland, 8-0, and the Russians defeated their political satellite, Czechoslovakia, 4-0.

Sweden won the other game tonight, gaining a 10-0 decision over Switzerland to remain tied with the United States for third place. The Swiss have yet to score in the tourney.

The United States-Germany game, played at Dortmund, was a penalty-filled affair witnessed by 7,000 fans. At one stage, when the Americans had a 5-0 lead, the fans began screaming against the United States team, yelling "unfairness."

### Grocutt, Weide Penalized

John Grocutt of Melrose, Mass., and Germany's Weide tangled in a fist fight in the second period. Both were sent to the penalty box for two minutes.

The Americans tallied three times in the first session and added three more in the second—the same period in which the Germans did their scoring. The game quieted down in the final period as Don Regazio of Cambridge, Mass., the United States goaltender made 11 saves to stop the German attack.

Arnie Bauer of St. Paul tallied first for the Americans in the fourth minute of play. Two minutes later Gene Campbell of Minneapolis took a pass from John Matchefts of Eveleth, Minn., and scored. Gordon Chris-

tian of Warroad, Minn., made it 3-0 in the ninth minute on a pass from Rube Bjorkman of Rosseau, Minn.

The score went to 5-0 early in the second period on goals by Bauer and Christian before the Germans beat Regazio for their first goal. After two more German goals, Dan McKinnon of Williams, Minn., drove the puck into the net from the middle of the rink shortly before the end of the period to finish the scoring.

### Game Draws 2,000 Fans

A crowd of only 2,000, many of them Canadian soldiers stationed in Germany, turned out at Cologne for the Canada-Poland game.

The Canadians jumped out in front in the second minute on a goal by Dick Warwick. Both teams played rough hockey, but the Poles were unable to match the Canadians in stickwork and skating.

Grant Warwick, player-manager of the Canadians, and Kazimierz Chodawski got into a fight late in the game. The Pole drew a five-minute penalty.

The Russians tallied once in each of the first two periods and twice in the final as they turned back the Czechs at Krefeld. The 5,000 German fans cheered the Czechs wildly throughout the match and booed whenever a Russian was penalized.

In the last period, Russia's Victor Shuvalov and Defense-man Jan Lidlal of Czechoslovakia engaged in a kicking match. Vsevolod Bobrov, the Russian captain, joined the fracas and started swinging at the Czech. But the two German officials restored order immediately and sent Bobrov to the penalty box for five minutes and Lidlal for two.

# U.S. Whips Germany, 6-3, to Gain 2d Win in World Hockey Tourney

BONN, Feb. 28 (AP)—America and Sweden climbed back into contention for the world amateur ice hockey championship last night behind the unbeaten Russian and Canadian sextets. The U.S., recovering from its first-game 12-1 shellacking at the hands of Canada, picked up its second win with a 6-3 decision over West Germany. Sweden also added its second win against a single loss with an easy 10-0 decision over Switzerland.

In other games last night, the Russians mastered satellite Czechoslovakia, 4-0, and the Canadian representatives, the Penticton V's, polished off Poland in another shutout, 8-0.

Arnie Bauer, St. Paul, put the Americans in front in the fourth minute when he fished the puck from the mass and banged home a short goal.

Two minutes later Gene Campbell, Minneapolis, took an assist from John Matchetts, Eveleth, Minn.,

and scored. Gordon Christian, Warroad, Minn., made it 3-0 in the ninth minute, after taking a pass from Rube Bjorkman, Rosseau, Minn.

A half-dozen hard, well-aimed German shots were knocked back by Don Regazio, Yank goalie from Cambridge, Mass. German nervousness destroyed team work in the early minutes of the game. Four penalties were called early in the game, two against each team.

## Things Get Rougher

The score jumped to 5-0 for the Americans on goals by Bauer in the 23d minute and Christian in the 24th. Then things got a lot rougher and the 7,000 fans in Westfalen Halle began screaming against American "unfairness."

Penalties were passed out in bunches against both teams. A German goal in the 35th minute by Kurt Sepp was scored with only four Americans on the ice. The first German goal was by Sepp in the 26th minute and another German goal was notched by Ernst Trautwein in the 30th. The second period ended just as Dan McKinnon, Williams, Minn., shot a goal from the middle of the rink. That made the score 6-3 for the Americans, at the end of the second period.

The game quieted down in the last period and neither team could work the puck into the net. Regazio made 11 good stops as the Germans turned on everything to try to catch the Americans.

## Czech Beating Unexpected

Few fans expected the Czechs to take a 4-0 beating from the Russians. In their other two games in the championship the Czechs looked like worldbeaters and two nights ago gave the favored Canadians a hard fight before losing.

In the last 10 minutes of the Russian-Czech game the going got rough. Russia's Victor Shuvalov kicked Czechoslovakia's Jan Lidral, who surprised the Russian by kicking him back. Vsevolod Bobrov, Russia, joined in the fight and got five minutes in the penalty box to think about his sin.

The crowd of 3,000 German fans cheered wildly for the Czechs and booed the Russians after many plays.

Poland had no business on the same ice with Canada's smooth skating but rough playing team from Penticton, B.C.

Sweden won its game easier than anyone else. The Swiss have yet to score in the tournament while giving up 17 goals in two games. Finland was idle.

# AMERICANS NOTCH THIRD VICTORY, 7-3

## Four Late Goals Stop Swiss —Canada Routs Finland, Russia Beats Poland

KREFELD, Germany, Feb. 28 (P)—The United States hockey team scored four goals in the third period tonight to defeat Switzerland, 7-3, in the world ice hockey championship.

It was the Americans' third victory in four contests, but left them trailing the favored Canadian and Russian teams.

Canada made it four straight by crushing Finland, 12-0, at Duesseldorf. Russia kept pace with the Canadians by beating Poland, 8-2, in a clean, well-played game at Cologne.

Until the final period, when the Americans scored four times, it appeared the United States entry might be upset. Until tonight, Switzerland had not scored a goal. This time the Swiss team held the Americans even at 1-1 during the first period and the United States led, 3-2, after the second.

### Christian Puts U. S. Ahead

Better teamwork and harder shooting pulled the game out for the Americans. Gordon Christian of Warroad, Minn., put the United States ahead after eight minutes of the second period and a minute later Dick Dougherty of International Falls, Minn., added another goal.

In the final session John Matchefts of Eveleth, Minn., Walter Greeley of Framingham, Mass., Arnie Bauer of St. Paul and Dan McKinnon of Williams, Minn., scored for the United States.

A fight broke out in the third period between Gene Campbell of Minneapolis and a Swiss forward, Otto Bietiger, but it was quickly stopped. The Americans were the target of jibes and boos throughout the game, especially after John Titus of Melrose, Mass., complained during the second period that he couldn't hear the referee's whistle because of the booing.

### Russians Get 4 in Third

Russia had a close contest with Poland for two periods, but pulled away with 4 goals in the third by Yurii Yrylov, Aleksei Guryshchev, Victor Shurolov and Alexander Uyarov.

The star of the Canada-Finland game, in which the Canadians scored seven times in the first period, was the Finnish goalie, Vitala Unto.

He stopped fifty-three shots and when the game ended the entire Canadian team skated over to shake hands with him. In the final minute Finland's Hyetanen lost a chance to make his team's only score when he fell while he was in front of the goal.

KREFELD, Germany, March 2 (UP)—Russia's defending champions struck with stunning speed in the first period tonight, then held the upper hand the rest of the way to defeat the United States, 3-0, in the world amateur ice hockey competition. It was the fifth victory for the unbeaten Russian sextet. The Americans have three triumphs and two losses.

At Cologne, Canada's equally indomitable crew, made it five victories in a row with another one-sided conquest, 11-1, over Switzerland. Thus, it appeared certain that the game between the Russians and Canadians on Sunday would decide the championship, even though both teams have two matches each to play before meeting each other.

The United States, stirred to a superlative effort by the cheering of American G. I.'s in the crowd of 7,000 at the rinkside, might have made more of a fight of it but for some misfortune.

In the first three minutes of the opening period, both the right wing, Gordon Christian of Warroad, Minn., and Center John Matchefts of Eveleth, Minn., were sent to the penalty box for illegal body checking.

At almost the same time Walt Greeley of Farmingham, Mass., broke his stick—and the Russians broke loose. Out of a melee Ivan Ukolov broke free and shot in the puck.

### Defense Takes Over

That was at 5:30 of the period and thereafter the teams waged a furious contest in which defense predominated. The Americans threatened in the middle of the period, but each time they stormed the Russian ice they were thwarted.

Russia's other goals came near the end of the second period. The first was made by Serge Uvarov at 15:45 and the next by G. Guryshv at 17:30, both following deft passes.

The match was one of the better ones in the tournament, although the Russians, attired in brilliant red, clearly were superior to the team of American collegians and ex-servicemen. The Americans featured hard body checks that jarred the icy composure of the Russians.

Canada, led by the famed Warwick brothers, who combined to score five goals, and Jim Fairburn, who added three, increased their goal total in the tourney to 48. The Canadians played the entire game without a penalty.

In other matches tonight, Sweden blanked Finland, 9-0, and Czechoslovakia shut out Germany, 8-0.

Before his team's game with Russia, the coach of the United States sextet branded the tournament a "farce" and said he would recommend that America not compete in it next year.

"The whole thing is absurd," said Al Yourkewicz. "We are playing against four teams that are more professional than amateur." He identified the teams as Russia, Czechoslovakia, Canada and, to a lesser extent, Sweden.

### Calls Players Professionals

"The players on these teams are professional sportsmen who spend the major part of their time playing hockey," Yourkewicz said. "We come over with a group of college boys who played together Jan. 17 for the first time, and we are supposed to be in the same league."

Yourkewicz said members of the German and Swiss teams among others he had talked to agreed with his view.

Yourkewicz said he would recommend the United States drop from world ice hockey competition when the team returns from the current competition. He said he would take it up directly with the United States Amateur Ice Hockey Association.

Russia will invite both Canadian and United States amateur teams to play in Moscow next winter, it was learned today.

The two North American teams will be invited to play exhibition games in Russia before and after the Winter Olympics at Cortina d'Ampezzo, Italy, sources connected with the tournament here said.

The United States-Russia line-up:

## Penticton V's and Defenders Stay Unbeaten—Deadlock by Americans Stirs Ire

DUESSELDORF, Germany, March 3 (UP)—Canada's Penticton V's and Russia's defending champions tonight skated toward a Sunday showdown for the world amateur ice hockey championship. They are tied for first place with 6-0 records.

The V's, collecting all their goals within four minutes, subdued Sweden's Canadian-trained team, 3-0. The game was played at Krefeld before 5,000 fans and two Russian scouts, including the Soviet team captain. Earlier the red-shirted Russians had defeated Germany, 5-1, at Dueseldorf after trailing by 1-0 at the end of the first period.

Rube Bjoerkman scored the night's most dramatic goal to keep the United States in contention for third place. The American captain scored with one second remaining to give the United States a 4-4 deadlock with Czechoslovakia at Cologne.

The Czechs, who claimed the goal was made after Referee Lutter of Switzerland had blown his whistle to end the game, protested for five minutes.

In the day's other game, Poland turned back Finland, 6-3.

The Czechs saw their chance when Gene Campbell of St. Paul, Minn., broke his stick. As he skated to the sideline to get another, the Czechs stormed around Don Rigazio, the United States team's 19-year-old goalie from Cambridge, Mass. During the attack, Danda beat Rigazio with a long, screen shot for a

The Americans then swarmed round Hanzl, the Czech goalie. Bjoerkman finally got the puck out of a swirl of players in front of the cage and scored.

The crowd of 3,000 booed Lutter's decision and the Czech players threatened to leave the ice. They finally agreed to continue and the game resumed for one second.

Forward John Matchefts of Eveleth, Minn., one of the mainstays of the United States team, was sidelined. He probably will not play the rest of the tournament. Matchefts pulled a knee muscle playing against Switzerland on Feb. 28, and it was aggravated in play last night against Russia.

# U. S. Sextet Scores 6-2 Victory Over Poland in World Tourney

## Canada and Russia Earn 7th Straight Triumphs—Czech Team's Protest Rejected

DUESSELDORF, Germany, March 4 (UP)—America's team of collegians and European-based soldiers put on its best performance in the world amateur ice hockey championship tonight. The United States sextet skated to a 6-2 victory over Poland.

Meanwhile, unbeaten Canada and Russia, who will meet for the championship Sunday, scored seventh straight triumphs. Canada poured it on for a 10-1 decision over Germany. Russia topped Switzerland, 7-2.

Tonight's triumph was the first for the United States over an "Iron Curtain" country. The Americans previously had lost to Russia and last night tied with Czechoslovakia.

### Three-Goal Second Period

The Americans established their skating and disc handling superiority early in tonight's game and kept the play on Polish ice most of the time. Wendy Anderson of St. Paul and Dan McKinnon of Williams, Minn., made long scoring shots early in the first period.

Expert passing by Ernie Bauer of St. Paul, and Gordon Christian of Warroad, Minn., marked a three-goal second period. The goals were scored by Bauer, Christian and Gene Campbell of St. Paul.

The Americans eased the pressure in the final period and Poland's team broke through on solo dashes by Boris Robel and Thaddeus Janiczko.

There was only one penalty in the game. John Titus of Melrose, Mass., was shelved at 12:08 but he went on to score the final American goal at 17:16.

**DUESSELDORF.** Germany, March 5 (UP)—The United States gained a 1-1 tie with Sweden in its final game of the world amateur hockey championship tonight. The Americans thus missed a chance to clinch a tie for third place with Czechoslovakia in the round-robin tournament.

Russia, the defending champion, and Canada will meet tomorrow at Krefeld for the championship. Both teams rested today after sweeping through their first seven games by wide margins.

A crowd of about 4,000 in cold, snowy weather saw Dick Doherty's goal at 14:50 of the third period produce the tie for the United States after the Swedish sextet scored at 9:10 of the session. Doherty took a pass from Gene Campbell, like Dick, a 22-year wing from St. Paul, and beat Goalie Rolf Svensen from close range.

### Czechs Route Poles, 17-2

Czechoslovakia, which routed Poland, 17-2, at Krefeld today, can clinch third place and drop the United States into fourth by beating weak Finland in its final game tomorrow. Finland scored its first victory of the tournament today, downing Switzerland, 7-2.

The United States team played poorly against the Swedes and narrowly missed losing the contest. A Swedish star, Tumba Johansson, fired the disk past Goalie Don Rigazio in a dazzling play that culminated just seconds after the final whistle.

Rigazio once again was one of the United States' stars, the Cambridge (Mass.) goaltender turning aside thirty-nine shots. The Swedish goalie had twenty-six saves.

The United States team played without spirit, clearly welcomed the end of the game and was apparently well satisfied with a tie. The sextet had played eight games in nine nights on top of a heavy exhibition schedule and was not up to par.

The game was marked by frequent penalties, most of them against the more aggressive Swedes.

The snow, which fell through a great part of the game, did not seem to hamper the players. Play was as inaccurate and sloppy in the first period, before the snow started, as it was afterward.

### 1957 Event to Moscow

Moscow was selected by a unanimous vote of the International Hockey Federation as the site for the 1957 world championship.

J. F. Ahearne of England, president of the European I. H. F., told the delegates at their final meeting that he had been assured Russia "is prepared to go further than the regulations prescribe" to overcome financial difficulties for teams entering the competition.

Next year, the world championships will form part of the Olympic winter games program.

Austria was chosen as the first alternate site for the 1957 championship and France as the second alternate.

Five nations declared that they would not send hockey teams to the 1956 winter Olympics. These were France, Denmark, Belgium, Spain and Yugoslavia.

# Canada Regains World Hockey Championship by Defeating Russia in Final

## SOVIET SIX LOSES IN GERMANY, 5 TO 0

Penticton V's Dominate Test  
so Thoroughly Russia Gets  
Only 2 Shots at Goal

KREFELD, Germany, March 6 (UP)—Canada's Penticton V's won the world amateur hockey crown from Russia today with a 5-0 victory that stunned the Soviet skaters.

The Canadian defense was so solid and the Russian offense so weak that Goalie Ivan McLelland was called on to make only two saves during the game.

Bill Warwick and Mike Shebaga each scored two goals for the Canadians before an overflow crowd of 9,500. Although the V's had been booed loudly for "rough-house" play in their previous triumphs, the crowd was largely on their side today.

The 7-0 record that each team carried into the final of the nine-nation round-robin tournament made this a pressure-packed match. Despite the intense feeling, there was only one minor incident, and this was dismissed quickly by the Swiss referees.

### Rival Players Collide

In the final period, with Canada leading, 4-0, Doug Kilburn of the V's collided at the boards with Vsevolod Bobrov, a major in the Russian Air Force when he is not playing hockey. The two players pushed one another, but no punches were thrown and Referee Kurt Hauser separated them quickly.

The Soviet players were so dejected by their defeat that the Canadians had to take the initiative in exchanging good wishes after the match.

One of the most humiliated of the Russians was the starting goalie, Nikolai Puchkov, who was removed from the game after the V's had scored two goals within the first two and one-half minutes of the final period. Grigori Mrtychan went into the Soviet nets as Puchkov skated disconsolately to the sidelines.

The V's triumph gave Canada the world amateur title for the fifteenth time in the twenty-one tournaments that have been held dating back to 1924. Canadian representatives have finished second in four other tournaments.

The Penticton team, headed by Grant (Nobby) Warwick, a playing coach, thus avenged the setback dealt Canada by the Russians in the 1954 world tournament at Stockholm.

### Shebaga Scores First

The defeat last year amounted to a national sports calamity in Canada. There was widespread criticism that the Toronto Lyndhursts were not as strong a team as Canada might have sent to the tourney.

Shebaga gave Canada its first goal in the fifth minute of the opening period on a brilliant set-up by Jim Middleton. Middleton was one of the two reinforcements flown to Germany after the start of the tournament when three of the V's were stricken with illness or injury.

Bill Warwick supplied the second goal at 7:30 of the middle period and Shebaga tallied again four minutes later. Bill Warwick's second goal was made

after 30 seconds of the third period on a solo effort. George McAvoy's tally two minutes later ended the scoring.

After the game, the rink was invaded by thousands of Canadian servicemen who hugged and kissed the Penticton players and lifted them on their shoulders. Women of the Canadian WAFS rushed forward to kiss the Warwick brothers.

### Russians' Team Silent

The Russians, meanwhile, lined up silently in one corner of the stadium looking glum, and not saying a word. The fans did not pay much attention to them.

The two teams lined up facing each other and the cups—the world trophy and the European trophy—were brought in and placed on a table. The huge silver trophy, which spent a year in Moscow, was presented by A. H. Ahearn of the International Hockey League to the Canadians and the European Cup to the Russians.

Ahearn thanked both teams for the "marvelous display of skill" and congratulated them for their show of sportsmanship.

The Canadian squad finally skated over to the silent Russians to shake hands. The Russians were still huddling at the side of the rink with no sign of approaching the victors. Both teams then lined up and filed off to the dressing rooms.

### The line-up:

CANADA—Goal: McLelland; defense: McAvoy, Tarala; center: Dick Warwick; wings: Bill Warwick, Grant Warwick, Alternates: McDonald, Kilburn, Fairburn, Shebaga, McIntyre, Middleton, Conway, Tassart.
