## MEDIA RESOURCES

**WILD.COM/PRESSBOX:** The Minnesota Wild media website [www.wild.com/pressbox](http://www.wild.com/pressbox) provides media access to the latest team news including press releases, game notes, media clips, postgame notes, multimedia and game day statistics. Media can also use the site to request single-game credentials.

**TWITTER:** Follow @mnwildPR on Twitter to get the latest news and notes from the team including practice times, player interviews and other valuable media information from the official Wild Public Relations Twitter account.

## MINNESOTA WILD WIRELESS INFORMATION:

Wireless access is available throughout Xcel Energy Center by connecting to the **XECwifi network**. No username or password is needed.

**ACCESS:** The Minnesota Wild organization and Communications department strives to make its players, coaches, management and other personnel available in a timely and responsible fashion to all accredited members of the media.

**CREDENTIALS:** Press seating at Wild home games at Xcel Energy Center is available to accredited media in the Al Shaver Press Box located on the south side of the Xcel Energy Center's press level. Single-game credentials must be requested by 12 p.m. the day before a game and by 12 p.m. on Friday for weekend games. Requests should be made by the media outlet's Sports Director/Editor by clicking on the REQUEST CREDENTIALS link located at [www.wild.com/pressbox](http://www.wild.com/pressbox). Once approved, single-game credentials may be picked up 2.5 hours before game time at the Media Entrance located inside Gate 1, at the southeast entrance of the Xcel Energy Center on Kellogg Boulevard. The elevator to the pressroom and pressbox is located in the southwest corner of the Xcel Energy Center near Section 107. Due to limited press box seating, approved credential requests will be seated on an as-available basis. Those persons holding full-season Wild or NHL Team Management credentials MUST enter through Gate 1.

**DAY-OF-GAME INTERVIEWS:** After completion of the morning skate, which typically begins at approximately 10 a.m. (for a 7 p.m. start), is the best time to interview players and coaches on a game day. Following a practice, the Wild typically makes players available to media first followed by Head Coach Bruce Boudreau. Requests to interview a player upon his arrival to Xcel Energy Center for the game will be accommodated upon the player's approval and should be requested at the morning skate. If the team is not practicing, the request should be made to the Wild, or visiting team public relations department, no later than 10 a.m. on the day of game. The Wild Communications department cannot guarantee access to players or coaches if no practice is scheduled. Interviews that need advance preparation or special accommodation by a Wild player or staff member, such as live television and radio interviews should be made by contacting the Wild Communications department no later than 10 a.m. on the day of the game.

**LOCKER ROOMS:** NHL locker rooms close 90 minutes before game time. Requests for interviews to take place before the locker rooms are closed will be accommodated only upon prior approval by both the player and coach. The rooms will re-open five minutes after the game and remain open for 30 minutes. The officials' locker room is off limits to the media. Should a comment or interpretation from the game's referee or NHL supervisor be needed, contact a member of the Wild Communications department and a pool reporter may be assigned.

**LOCKER ROOM GUIDELINES:** The NHL prohibits media from using cell phones in locker room areas, including taking calls, photos and other cellular activity including Tweeting. **Cell phones can**

**only be used by media to record audio (not video).** The Minnesota Wild asks media members to not step on the Wild logo located at the center of the locker room.

**PHOTOGRAPHERS:** Only those photographers on assignment will be allowed access to designated photography locations at rink level and in overhead positions. Xcel Energy Center workspaces are accessible to local dailies and wire service photographers. Two photography positions are reserved for Wild team photographers. Additional photography positions are determined on a first-come, first-served basis; however, in cases of increased photographer attendance, positions will be assigned by team photographer, Bruce Kluckhohn. In all cases, photographers should check in with Bruce Kluckhohn in the pressroom before the start of warm-ups. Because of very limited photography locations, it is not possible to accommodate freelance photographers.

**PRESS DINING ROOM:** Media possessing season credentials or those granted single-game credentials are invited to have a meal before each game in the press dining room, located on the lower level (Xcel Energy Center's south side). The Minnesota Wild charge media \$13 to eat in the press dining room. The room opens two-and-one-half hours before game time. Dining room usage is limited to those presenting valid Wild credentials or NHL Team Management passes. It is impossible to accommodate family members, friends, guests or others. Any abuse of dining room privileges may cause forfeiture of a media pass. Refreshments are also available in the press box during the game.

**TELEVISION COVERAGE:** All television stations are prohibited by the National Hockey League from shooting and distributing game footage of any contest that is being broadcast from Xcel Energy Center by the Minnesota Wild, the visiting team or network television. Requests for special features and the like should be directed to the Wild Communications department.

**MEDIA PARKING:** The Wild Communications department will issue full-season parking cards to media expected to attend the majority of home games throughout the 2017-18 season. All other parking requests will be handled on a per-game basis and are subject to availability. Media parking is available in the RiverCentre Parking Ramp for **practices and game day skates** by showing a parking attendant your Minnesota Wild media credential and/or your company issued media identification. A Wild media credential and/or company issued media identification will **not** allow you access to the parking ramp for games. The ramp has two entrances: on Kellogg Boulevard and on Exchange Street, which can be accessed via Eagle Street (at the Kellogg and West Seventh intersection). To enter the arena, media should take the West elevator to Skyway Level and enter the arena at the skyway entrance to Gate 1. An alternate option is to cross Kellogg Blvd. and enter through the main entrance at Gate 1.
